

**Ministry of Health**  
**Proposed new regulation under the *Connecting Care Act, 2019***  
(Pending passage of the *Connecting People to Home and Community Care Act, 2020*)

## **Regulations Under the Excellent Care for All Act, 2010**

Proposed amendments to the *Excellent Care for All Act, 2010* would continue the jurisdiction of the Patient Ombudsman over the specified home and community care services outlined in the Act and listed below. Those services would be outlined in regulation under the Act to align with the definition of “home and community care services” in regulation under the *Connecting Care Act, 2019*.

- Home care services (professional services, personal support services, homemaking services if they are provided alongside personal support services and security checks and reassurance services where other home care services are also provided) as would be defined in regulations under the CCA.

## **Regulations Under the Ministry of Health and Long-Term Care Act**

Proposed amendments to the *Ministry of Health and Long-Term Care Act* would provide the authority to maintain the Minister’s right of subrogation and cost recovery. The ministry is proposing a regulation under that Act to implement this right in alignment with provisions in the *Health Insurance Act*.

## **Consequential Amendments to Regulations under Other Acts**

The Ministry is proposing to make consequential amendments to regulations under various statutes to provide for the repeal of the *Home Care and Community Services Act, 1994* by replacing references to that Act with references to applicable legislative provisions.
